

COMMUNITY LANGUAGE SCHOOLS FUNDING PROGRAM INSTRUCTIONS FOR ENTERING 2017 STUDENT DATA

To claim per capita funding for 2017 you must **correctly** enter all student data in the Excel spreadsheet provided. This spreadsheet contains your school's 2016 student data that was verified and funded by the Department of Education and Training.

STEP 1

Open the spreadsheet.

STEP 2

Choose 'File', then 'Save As' to save the spreadsheet to your desktop or other location. When saving the spreadsheet, use the naming protocol «**Your school name**» **2017 student data**. For example:
ABC Community School 2017 student data

STEP 3

Check and update the student details in the spreadsheet:

- **Delete** all students who completed Year 12 in 2016 as they are no longer eligible for funding
- **Delete** any students who are no longer at the school
- **Add** details of any new, eligible* students (**Add these students to the end of the list. New data that is entered will appear in red text**)
- **Add** gender for all students (**Select from dropdown menu**)
- **Add** community language school campus for all students (**Select from dropdown menu. Note: where a school only has one campus this column has been populated for you**)
- **Select and enter** the school code from the list of schools below. This will automatically generate the name of the mainstream school that the student attends. **There is no need to type in the school name manually.**
- **Amend** existing student details, if necessary.

*Refer to *2017 per capita funding Terms and Conditions* for eligibility criteria.

Student enrolment data (names, date of birth etc.) should match enrolment information that parents/guardians have provided when enrolling their child in their day school.

Students who cannot be matched to a Victorian Student Number (VSN) due to incorrect information being entered, will not be funded.

STEP 4

Save the spreadsheet.

STEP 5

Attach and email the spreadsheet to community.languages@edumail.vic.gov.au by **31 March 2017**.
