What to expect

As a participant you will have the opportunity to develop important skills and knowledge to help you succeed in your teaching and leadership skills. You will:

- ✓ Explore principles of good languages teaching
- ✓ Develop interesting, fun and effective language lessons
- ✓ Design resources and activities that stimulate learning and create a positive classroom environment
- ✓ Investigate different approaches to languages teaching in an Australian context
- ✓ Update your knowledge on child safety and teacher's ethical and legal responsibilities
- ✓ Learn about assessment and assessment strategies
- ✓ Become familiar with the language of education
- ✓ Work with the Victorian Curriculum and other documentation to support teaching development

Pathway opportunity
