

TEACHER TRAINING FOR VICTORIA'S COMMUNITY LANGUAGES SCHOOL INSTRUCTORS/TEACHERS

Teacher training is crucial in the process of ensuring quality programs in Victoria's after-hour ethnic schools/community languages schools.

The Department of Education provides funding to allow teachers to undertake training programs. Tertiary institutions are commissioned to deliver these programs and their content is negotiated. Comments made by teachers and school authorities at conferences and Community Languages Victoria (CLV) General Meetings are discussed and where practical incorporated.

The current series of training programs is the outcome of recent discussions with teachers, tertiary institution representatives and representatives of the Department of Education.
